Overall performance at the end of the Semester will be indicated by Grade Point Average (GPA) calculated as follows:

$$\text{GPA} = \frac{G_1 C_1 + G_2 C_2 + G_3 C_3 + \dots + G_n C_n}{C_1 + C_2 + C_3 + \dots + C_n}$$

Where 'G' refers to the grade weightage and 'C' refers to the credit value of corresponding course undergone by the student.

At the end of the final semester, Cumulative Grade Point Average (CGPA) will be calculated based on the above formula.

Classification for the Degree will be as follows:

<i>Classification</i>	<i>CGPA</i>
First class with distinction	8 and above
First class	6.5 and above
Second class	6 and above

1.7 Declaration of Results

The final marks will be reported to the University for tabulation and declaration of results. The University shall issue mark lists at the end of each semester.

1.8 Review of Question Papers and Valuation of answer books

At the end of each semester, the question papers set for class test and end semester examination will be reviewed by the Departmental Council. The review report may be placed in the Board of Studies for scrutiny.

1.9 Grievance Cell

The Departmental Council will act as a grievance cell where complaints from the students on the conduct of the class test, semester exam, and the valuation methodology can be examined. The student shall make such complaints within a week of the examination to the Head of the Department in writing for scrutiny by the grievance cell.

1.10 Revision of Regulation and Curriculum

The University may from time to time, revise, amend or change the regulations, schemes of examinations and syllabus. In the case of students already undergoing the course, the change will take effect from the beginning of the following academic year after the changes are introduced and shall cover the part of the course that remains to be completed.
